

# Meridian Veterinary Hospital's Biggest Loser Competition

To support good health in our patients and their families, Meridian Veterinary Hospital is holding a weight loss competition.

To participate in the 6 month challenge, your pet must come in for an initial and final "weigh-in" on our hospital scale. Weight loss competitors will be evaluated based on percentage of weight loss, not by individual pounds lost.

***The top 2 dogs and cats with the highest percentages of weight loss***

***will win a 2 day trip to the Pet Inn Place and a gift basket full of goodies for your pet.***

Be sure to visit our website at [meridianvethospital.com](http://meridianvethospital.com) throughout the next 6 months for healthy tips on dieting.
